

Pronomic Ultimate CSSD Lifter

The Pronomic Ultimate lifter is a modified Pronomic Lift & Drive, specially designed to accommodate the needs of a CSSD department. It offers the ability to lift industry standard loan kits and crates from the floor, eliminating associated manual handling risks in the hospital environment.

Features:

- **110E compatible with new NSW crate design**
- Flexibility to accommodate all types of loan set delivery boxes
- Manoeuvrable In Confined Spaces
- Loads From The Floor
- Multi-Purpose Lifting Platform
- 90/110kg Lifting Capacity (90E/110E)
